## WORK EXPERIENCE

### **Sheridan College - Research Assistant**

JAN 2021 - AUG 2021

Worked within the faculty of Social Services and Communications alongside two professors researching the experiences of students in a non curricular research project. Tasks included; attending project meetings, conducting literature reviews, recruiting and interviewing subjects, transcription of interviews using otter.ai, managing data with Microsoft Excel, and maintaining accurate records while safeguarding confidential information.

### **Hearthstone By The Lake - Homemaker/Companion**

OCT 2018 - JUN 2019

Worked directly with seniors who have dementia in a variety of settings from food prep to basic physiotherapy. Daily meetings with team. Assisted PSW's with resident transfers, medical assistance and basic care. Provided clients with a patient attitude and open ear whenever needed.

### **TJX Canada - Seasonal Sales Associate**

OCT 2016 - AUG 2017

Worked as a seasonal sales associate at all three TJX stores: Winners, Marshalls and Homesense. Ensured high levels of customer service. Managed point-of-sale processes. Assisting customers throughout the buying process.

## VOLUNTEER EXPERIENCE

---

### **The Centre For Innovation In Peer Support** **September 2019 - Ongoing**

Partake in peer drop-in groups for individuals across the Halton region who struggle with mental health and substance use. Volunteered as a certified peer mentor for the Burlington TEACH group prior to its amalgamation with The Centre. Continue to serve the community by working with peers individually on a case by case basis, serving in suicide intervention when necessary. Assisted facilitators in person with set up and resource layout.
